

**DR. DAVID JACOBSON**

**Director–Emerging Technologies, Advisory Services**

PricewaterhouseCoopers LLP

Dr. David Jacobson is Director–Emerging Technologies, Advisory Services, PricewaterhouseCoopers LLP, Toronto, and is the Canadian Member of PricewaterhouseCoopers' Global Technology Centre of international subject matter specialists. He focuses on the uses of emerging technologies and techniques on communications, society and business, including new-era media applications. David's multi-faceted career as a former professor at Harvard University, a senior executive in international industry, venture capital, management, and advisory, brings a refreshingly unique view to his *avant-garde* audio-visual presentations.
