

SHERI ENIOLA DADA

Eniola comes to us from Nigeria where she has been involved in numerous associations aimed at helping women. These include founding, resourcing and sustaining the first-ever Nigerian Network of Women Exporters of Services, coordinating a womens economic network and others involving micro-finance initiatives, media, insurance, youth and was also active in the Nigerian-Belgian Chamber of Commerce.

Eniola brings a wealth of knowledge in the area of building successful womens networks amid challenges such as distance, resources, competing objectives, and others. TIAW recently welcomed Eniola on the Board of Directors as TIAW Regional Director for Africa and are delighted that she can join us at this event.
